This document is designed to help you navigate your academic coursework. The DMA in Music with a concentration in interdisciplinary digital media requires a total of 90 credit hours, a written comprehensive exam, an oral comprehensive exam, prospectus and a dissertation. Students with a completed master’s degree from an accredited institution recognized by the ASU Graduate College may be approved for up to 30 blanket hours toward the DMA (depending on master’s coursework), leaving 60 credit hours of coursework to complete. Shaded sections of the check sheet represent possible blanket credit hours from a master’s degree.

**Required Core (25-27 credit hours)**

Music Theory: 12-19 credit hours and Musicology: 6-15 credit hours, minimum three courses in MTC and one in MHL. 500-level courses that are double-listed as a 400-level course may not be used toward the MHL/MTC requirements. In special cases, a substitution may be allowed.

### Your Degree Guide, Timeline and Best Practices

#### Academic Advising
Your studio professor will serve as your faculty advisor and can assist you with coursework selection. Additionally, the School of Music, Dance and Theatre Office of Academic Affairs will assist you with filing your plan of study and can be reached by contacting Julie Krause (Julie.A.Krause@asu.edu)

#### MDT Graduate Student Resource Site
Enroll in the MDT Graduate Student Resources site. The site is where you can find your handbooks, academic forms, and other important information related to your studies.

#### Student Handbooks
There are student handbooks that you should reference throughout your degree. Your handbooks are meant to help you understand various policies and procedures required for your studies.
• The Graduate Music Handbook
• The ASU Graduate Policies and Procedures Handbook
• Students with a TA should also review the TA/RA Policies and Procedures Handbook through the ASU Graduate College

Tips on Selecting Coursework
Each semester, the courses offered in musicology (MHL) and music theory (MTC) are listed on the student canvas site. Courses are offered on a rotational basis and are not necessarily offered every semester. The MTC courses are identified as either an analytical or non-analytical course. Refer to the MDT Graduate Student Resources Canvas site for the most current list of course offerings.

Degree Requirements and Timeline
There are several milestones and requirements throughout the DMA program in addition to the required coursework listed above. All work towards a doctoral degree must be completed within ten consecutive years from the semester of entry.

Graduate Curriculum Breakdown
Every course taken for a doctoral degree must have a graduate course number (500+). You will not receive graduate credit for courses at the 400-level or below. You may take courses at the 400-level or below, but the courses will not count toward your degree. The DMA in Music with a concentration in interdisciplinary digital media is accredited through the National Association for Schools of Music (NASM) and meets the curricular guidelines as indicated below.

NOTE: students may be exempt from completing MHL 532 in the DMA but need prior approval. See handbook for more information.
