Milestones

There are several milestones students need to complete prior to graduating:

- Have an approved Plan of Study by the start of your first semester.
- Pass all of the coursework required for your degree.
- Successfully complete your applied project with a "B" or better.

Students should see the Area Coordinator of the Theatre (Interdisciplinary Digital Media) program for a complete list of approved electives.

Continuous Enrollment

Once admitted to a graduate degree program or graduate certificate program, you must be registered for a minimum of 1 credit hour during all phases of your graduate education. Registration for every fall semester and spring semester is required. Summer registration is required for students taking examinations, completing culminating experiences, conducting a doctoral prospectus, defending theses or dissertations or graduating from the degree program.
