Refer to the MDT Graduate Student Resources Canvas site for the most current list of course offerings.

Degree Requirements and Timeline

There are several milestones and requirements throughout the DMA program in addition to the required coursework listed above. All work towards a doctoral degree must be completed within ten consecutive years from the semester of entry.

| Identify a research topic | Can be done as early as the first semester. |
| Complete IRB training, if required | Must be done before any human subject research is conducted. |
| Research proposal exam | Scheduled at any time during coursework but it needs to be completed one semester before your defense semester. |
